CRITICAL INCIDENT POLICY

Of

The Abbey Vocational School

Mission Statement:-*Abbey Vocational School is dedicated to the holistic development of students in a caring environment where tolerance and respect are nurtured and valued.*

In fulfilling this mission statement the school undertakes to protect the wellbeing of its students and staff by providing a safe and nurturing environment at all times. The Board of Management, through the Principal, has drawn up a critical incident management plan as one element of the school's policies and plans.

Our aim is to establish a Critical Incident Management Team (CIMT) to steer the development and implementation of the plan.

Definition of 'Critical Incident'

The staff and management of the Abbey Vocational School recognise a critical incident to be "an incident or sequence of events that overwhelms the normal coping mechanism of the school". Critical incidents may involve one or more students or staff members, or members of our local community. Types of incidents might include:

- The death of a member of the school community through accident, violence, suicide or suspected suicide or other unexpected death
- An intrusion into the school
- An accident involving members of the school community
- An accident/tragedy in the wider community
- Serious damage to the school building through fire, flood, vandalism, etc.
- The disappearance of a member of the school community

Aim

The aim of the CIMP is to help school management and staff to react quickly and effectively in the event of an incident, to enable us to maintain a sense of control and to ensure that appropriate support is offered to students and staff. The effective implementation of our plan should also help ensure that the effects on the students and staff will be limited. It should enable us to return to normality as soon as possible.

Creation of a Coping, Supportive and Caring Ethos in the School

We have put systems in place to help to build resilience in both staff and students, thus preparing them to cope with a range of life events. These include measures to address both the physical and psychological safety of the school community.

Physical safety

We have developed an extensive Health & Safety policy. The school building and its surrounds are well maintained. Appropriate signage and lighting are provided throughout the school. Other steps taken to ensure physical safety in the school include:

- Evacuation plan formulated
- Regular fire drills occur
- Fire exits and extinguishers are regularly checked

- Pre-opening supervision in the school
- Junior cycle students are not permitted to leave school grounds at breaks
- Supervision is provided during breaks

Psychological safety

The management and staff of Abbey Vocational School aim to use available programmes and resources to address the personal and social development of students, to enhance a sense of safety and security in the school and to provide opportunities for reflection and discussion.

- Social, Personal and Health Education (SPHE) is integrated into the work of the school. It is addressed in the curriculum by addressing issues such as grief and loss; communication skills; stress and anger management; resilience; conflict management; problem solving; help-seeking; bullying; decision making and prevention of alcohol and drug misuse. Promotion of mental health is an integral part of this provision
- Staff have access to training for their role in SPHE
- Staff are familiar with the Child Protection Guidelines and Procedures and details of how to proceed with suspicions or disclosures
- Books and resources on difficulties affecting the post primary school student are available
- Information is provided on mental health in general and such specific areas as signs and symptoms of depression and anxiety
- Staff are informed in the area of suicide awareness and some are trained in interventions for suicidal students
- The school has developed links with a range of external agencies:
 - NEWB, NBSS, HSE, DES, NEPS, SEC
- Inputs to students by external providers are carefully considered in the light of criteria about student safety, the appropriateness of the content, and the expertise of the providers.
- The school has a clear policy on bullying and deals with bullying in accordance with this policy
- There is a Pastoral Care system in place in the school.
- Students who are identified as being at risk are referred to the designated staff member (e.g. guidance counsellor or support teacher), concerns are explored and the appropriate level of assistance and support is provided. Parents are informed, and where appropriate, a referral is made to an appropriate agency
- Staff are informed about how to access support for themselves.

Critical Incident Management Team (CIMT)

A CIMT has been established in line with best practice. The members of the team were selected on a voluntary basis and will retain their roles for at least one school year. The members of the team will meet annually to review and update the policy and plan. Each member of the team has a dedicated critical incident folder. This contains a copy of the policy and plan and materials particular to their role, to be used in the event of an incident.

Confidentiality and good name considerations

The management and staff of the Abbey Vocational School have a responsibility to protect the privacy and good name of the people involved in any incident and will be sensitive to the consequences of any public statements. The members of the school staff will bear this in mind and will seek to ensure that students do so also. For instance, the term 'suicide' will not be used unless there is solid information that death was due to suicide, and that the family involved consents to its use. The phrases 'tragic death' or 'sudden death' may be used instead. Similarly, the word 'murder' should not be used until it is legally established that a murder was committed. The term 'violent death' may be used instead.

In the event of a critical incident, the following rooms may be used

Library will be the main room used to meet the staff
